

We have company coming over. Everyone clean your rooms!

Downtown is taking part in the **Grand Island Community CleanUp 2010**. We're looking for volunteers to help make sure Downtown looks clean and green for all the State Fair, Husker Harvest Days, Harvest of Harmony and State Volleyball visitors.

We'll be cleaning **Thursday, August 19**, in the evening. Meet at Kauffman Park at 5:30 p.m. and bring your gloves!

Anyone who signs up will get a t-shirt and is invited to a party Saturday, August 21, along with all the other cleaning volunteers. Details on shirts and the party will be coming later.

PLEASE let Glenda know if you plan on helping with the cleanup by **Aug. 1**.

Thanks for all you do to keep Downtown looking great all year long!

Contact Glenda at 398-7022 or glenda@downtowngi.org. Include a shirt size in your e-mail.
